

Compo-SiL[®] SL Series

Weather Durable Silicone Leather

Vegan & Luxury

Touch comfort and visual quality are important design indicators for products. As a luxury leather fabric, **Compo-SiL[®]** leather retains good weather resistance of silicone. It is not easily decomposed by UV, extreme temperature difference, and salty environment...etc. **Compo-SiL[®]** leather is also an animal friendly non-petrochemical vegan fabric that is easy to clean, maintenance-free, skin-friendly and soft, and can be custom-made for your products.

UV resistant

Flame resistance

Salt fog resistant

Easy to clean
